

W&E (Continued from Page One)

four to six months and Grimes said the utility should be able to pay for the vehicle by that time.

The 1983 truck will continue to be used for other purposes. Grimes also recommended the old 1963 bucket truck which had been impounded several years following the death of an employee be sold. The truck was released from impound months ago and needs to be sold, Grimes said. The equipment can be used, but is no longer certified for electrical work, he explained.

The board also approved upgrading the water line on Theresa Street to a 6" line, from the present 2" and 4" existing lines. The estimated cost is \$2,000 for the 800 feet of pipe.

Another upgrade and extension of water line is on Highway 166, past Kleiner's. The board approved a request to extend to line to about the city limits, where Pete Cash is

planning to build. Water supervisor explained they would start at the end of the existing 6" line and use 6" lines all the way. Presently some residents in that area are on smaller lines with low water pressure. Cash reportedly had agreed to pay half the \$13,800 cost of the installation, citing his savings of drilling a well as his incentive.

Monthly bills totaling \$20,153 were approved for payment. These included \$10,351.70 in electric inventory; \$2,022.96 in water inventory; \$2,599.59 in vehicle repair and \$457.46 for chemicals.

Board member Harold Bannin reported a water problem Virginia Berry had in September. A water leak, she attributed to excessive water pressure, caused extensive damage to her mobile home. The board instructed staff members to look into the matter, check with the utility's insurance carrier and solve the problem if possible.

HOME (Continued from Page One)

elderly in their home for as long as possible.

"The longer we keep them out of the nursing home obviously the better their quality of life will be," he said. "The program is very good for that reason."

When asked if he foresaw in the future any action by the state legislature to provide additional funding for these type programs, he responded, "I think so. But first, it is probably going to take federal legislation with Medicare and Medicaid."

"We have got to start coming up with some interim steps before the nursing home level," said Moore. We need more home health care and more assisted living facilities as means of keeping our elderly healthy cheaper than the current rates we have to pay on a daily basis to keep someone in the nursing home."

Moore added that the longer we can keep the elderly at home, or place them in assisted living facilities, the better off we are going to be as a nation financially.

Forehand stated that statistics show that the elderly recover more quickly and more fully at home with their families, as opposed to being in a nursing home temporarily or a longer stay in the hospital.

Home health care is designed to provide care to individuals in the comfort and privacy of their home. With the advances in technology and training, professional staff members are able to provide care and education to patients and their family in an environment that is familiar.

Several members of Mrs. Boutwell's family were present for the special occasion. They all expressed appreciation for the care that was being given their mother.

A son who lives in Virginia stated that it gives him peace of mind knowing that his two sisters, who live near their mother, do not have to provide continuous care for her every single day.

King said, "We treat every client as if they were a member of our very own family."

AL State Mass Recording Choir to present Gospel Music Extravaganza

The Alabama State Mass Recording Choir of the Churches of God in Christ will present a Thanksgiving Gospel Music Extravaganza. This choir, under the direction of Elder W.K. Ellison, pastor of Harris Temple CMC, and Elder Jimmy Allen has just released their second recording. The musical concert will be on Saturday, November 23, 1996 from 6:00-8:00 p.m. at the Fort Rucker Post Theater. For more information and tickets call (334) 255-2012 or (334) 393-2169. This musical is sponsored by the Fort Rucker Religious Community.

Coffee County Board of Education members sworn in

by Marvin McLwain, Editor

The first order of business in Thursday evening's meeting of the Coffee County Board of Education was the swearing-in of two of its members.

Probate Judge William O. Gammill administered the oath-of-office to board members Charles Walker and Danny Jernigan. Both men were re-elected to the board in the November general election.

After a brief break, the board moved routinely through a 17-item agenda.

Charles Walker was re-elected by board members to serve as chairman

during the next year. Danny Jernigan was also re-elected, by board members, as vice-chairman.

The board heard three requests for permission of out-of-county travel, and approved all three.

Dayna Ellis, band director at New Brockton High School's, was first to make a request. She asked that the band be given permission to travel to Orlando, Florida (Disney World).

She told board members that the band had worked hard, won many awards in recent band contests and has a good attitude.

Ellis noted that as well as being a reward for the hard work, it will also serve as a good recruiting tool for future band members.

The trip will cost \$335 per band member and the group will be responsible for raising the monies, with possible help from the band boosters club. Approximately 70 members will make the April 30 through May 4th trip.

There is a possibility that during the trip the band will perform at Universal Studios in Orlando.

The second request for travel came from Blair Andrews of Zion Chapel High School.

Andrews' request pertained to drama students traveling to New York City to see a Broadway show and see the sights in the "Big Apple."

Each student (a total of 30) will be responsible for raising his or her funds to take the trip. The cost will be \$525 per student.

After several minutes of discussion, the board approved the request. The board also approved out-of-state travel for Peggy Heneveld, Reading Recovery Teacher, to attend a seminar.

The next order of business was to change the board's monthly meeting date. After several minutes of discussion, the board voted unanimously to meet on the first Thursday of each month instead of the second Monday.

Superintendent Rodger Bowden had originally requested that the meeting be changed from the second Monday to the second Thursday. This was not possible due to a conflict on the part of board member Joyce Barksdale.

Bowden noted that it would not be possible to have a complete financial statement ready on that date (first Thursday); however, he said that could be worked around with no problem.

The board entered into a brief executive session to discuss an undisclosed subject. No action was taken upon the board's returning to open session.

The final action of the board was to accept the low bid on playground equipment for the New Brockton Elementary School and approve some personnel changes.

J. A. Dawson of Decatur, Alabama submitted the low bid on the playground equipment at \$15,983.00.

The following personnel changes were approved; accepted the resignation of Debra Yohn, an aide at New Brockton Elementary School; hired Kalandria White as the at-risk coordinator at Zion Chapel High School; and Robin Davis as a special education teacher at Zion Chapel Elementary School.

The next board meeting will be December 5 at 7:00 p.m.

County Commission meeting routine

by Marvin McLwain, Editor

The Coffee County Commission meeting Monday morning lasted less than an hour.

Although there were no items of new or old business listed on the formal agenda, commissioners spent several minutes handling routine housekeeping chores.

The first item of business was to okay the hanging of a portrait of S. A. "Sid" Averett in the Coffee County Health Department which is named for the late commissioner.

Commission Chairman Tom Grimsley commented that Averett worked hard to see the new facility become a reality.

Later on in the meeting, commissioners formally commended the county's state legislative delegation, Representative Garrett Moore and Senator Dwight Adams, in their efforts of getting the state to pay the county \$100,000 per year for 20 years in lease payments for the building.

Originally, the county constructed the building at a cost of approximately \$1.1 million with the understanding that the state would reimburse the county; however, legislation was never passed at the state level to provide these funds.

Through the efforts of Adams and Moore the lease payments were approved by the legislature.

Commissioners voted to sign a three-year agreement with the Alabama Association of County Commissions to participate in the group sponsored liability insurance program.

Through this joint program, the county is provided legal services in settling law suits and other matters of liability.

The only other major item of business was the approval of Sheriff Ben Moates request for a private telephone line and answering machine to be installed in the Elba Police Department at the county's expense.

He explained that Sgt. Jack Herbert, who is the Coffee County Sheriff Department's officer assigned to the 12th Judicial Circuit Drug Task Force, along with another drug task force officer, will be occupying an office in the Elba Police Department. The City of Elba is supplying the office space and furniture.

The commissioners approved the sheriff's request.

Other items of business approved by the commissioners were as follows:

***Submitted four names of individuals to be considered by the Governor's Office for appointment (one individual) to the Tax Equalization Board. They were Steve Dewberry, Lenwood Herron, Glenn Hundley, and Tom Dyess.

***Appointed Carolyn Senn as manager of the New Hope Senior Citizen Center.

***Commission Chairman Tom Grimsley appointed Linda Westbrook, Kaye Lewis, Len Averett and himself to serve on the landfill committee.

***Approved the closing of Co. Rd. 512.

***Appointed Elba Mayor James Grimes to serve on the Southeast Alabama Regional Planning commission.

***Approved the appointment, by the chairman, of a four-member committee made up of commissioners to study county roads.

Two-car crash... sends four to hospital. Shortly after 3:00 p.m. Monday, police, fire, and rescue units were dispatched to a two-vehicle accident on the Old Samson Highway. A small size pick-up truck and a medium size car collided and left the roadway. Fire and rescue personnel used the jaws of life to remove one of the victims from the car. Four individuals, two men and two women, were taken to Elba General Hospital by units of the Elba Rescue Squad. Their names nor the extent of their injuries were available at press time. Elba police investigated the accident.

Christmas Festival Set... Elba's Ninth Annual Christmas Festival is scheduled for Saturday, November 30, 1996, beginning at 9:00 a.m. on the courthouse square.

Council Meeting... The New Brockton Town Council will hold its monthly meeting in city hall at 7:00 p.m. Monday, December 2, 1996.

Mr. Pearce's Message To The People

American Education Week has traditionally been a week to recognize the efforts of educators, teachers, administrators, support staff, and retired teachers. Our schools will be participating in these events again this year. The entire week of November 17-23 will be filled with activities to honor and express appreciation to those persons involved in the education process. I want to take this opportunity to recognize another group of very important people. The students enrolled in Elba City Schools deserve recognition for the role they play in helping make our schools successful. Our students represent not only our schools, but our community. In almost seven years as a superintendent, I have had many opportunities to travel and visit schools all over the state. I can honestly say I have never observed a more dedicated, committed, school spirited, group of students. In a recent homecoming activity, we had all students K-12 involved in our homecoming queen coronation and pep rally in Tiger Stadium. The comment made to me by a parent was, "Isn't it great that we can have such an activity as this, and see all our kids enjoying it in such a well behaved manner?"

Unity, loyalty, and this great school spirit begins in Kindergarten at Elba Elementary School and grows continuously through each graduating class at Elba High School.

Thank you students for making me the proudest superintendent in the state.

ELBA HIGH SCHOOL HONOR ROLL FIRST NINE WEEKS

"A" HONOR ROLL

Seventh Grade
Amanda Adkins, Randy Beach, Rachel Blodgett, Austin Boothe, Rush Brunson, Chelsea Cooper, Michelle Grimes, Ashley Hareless, Justin Jackson, Wesley Kelley, Evan Maddox, Gavin Maudlin, Kamisha McGinn, Danny McDonald, Sara Purvis, Stephanie Sasser, Casey Skinner, Bobbie Jo York.

Eighth Grade

Annual Senior Sing

by Renee Nicholson
The Annual Sing created many emotions including sadness for the class of 1997. On November 8, 1996 the seniors of EHS led a heart felt chorus to the songs of "Friends" and "It's So Hard to Say Good-Bye to Yesterday." There was hardly a dry eye in sight as the seniors said their early good-byes to their fellow classmates to all the underclassmen and the faculty and staff of EHS. Below are the opinions of seniors and underclassmen about how they felt the pep rally turned out.
Emily Bryant: "It sounded great, especially with Carla Gray and 'Train singing'!"
Melissa Benbow: "It rocked. The seniors sounded really great!"
Walt Russell: "The second song turned out good!"
Shu-Kira Stephens: "It turned out really nice!"
Brandy Harrison: "I liked it."
Dana Hughes: "They were very good."
Vicky Terry: "It turned out good."
Deanna Gifford: "It was good but needed to be louder."
Margo Moody: "It was so sweet!"

Delicious cranberry recipes

by Sandra Coffey, County Agent-Coord.

Turkey, dressing, and cranberries are three foods you are sure to find on most dinner tables on Thanksgiving. But why eat cranberries only with turkey? Cranberries can be used in many ways, and whether they are fresh, frozen, juiced or sauced, you can use them all year round.

Cranberries are available in stores from late September through early December. You can store cranberries in the refrigerator just as you bought them for up to two weeks. Before using cranberries, sort and rinse them in cold water.

Fresh cranberries are low in calories. In fact, 1/2 cup has only 25 calories, and uncooked, that same amount has more than 10% of the recommended daily allowance of vitamin C. Also, cranberries are low in sodium.

If you want cranberries for later in the year, freeze them without pre-washing in their plastic bag. Before using frozen cranberries, simply rinse them in cold water and use as directed for fresh cranberries. There is no need to thaw them before using.

If you enjoy cranberries, try these recipes.

CRANBERRY MUFFINS
1 1/2 cups sugar; 1/4 cup butter or margarine, softened; 2 eggs; 2 cups flour; 2 teaspoons baking powder; 1/4 teaspoon salt; 1/2 cup milk; 1/2 cup chopped walnuts; 2 cups fresh or frozen cranberries, coarsely chopped.

Preheat oven to 350°. Mix sugar and butter together in a medium mixing bowl until completely blended. Add eggs one at a time, beating after each addition. Stir together flour, baking powder, and salt in a separate medium mixing bowl. Add this alternately with the milk to the batter mixture. Stir in nuts and cranberries. Spoon into 12 paper-lined muffin cups, filling 3/4 full with batter. Bake 25 to 30 minutes or until golden brown. Makes 12 muffins.

CRANBERRY CHILI
2 cups fresh or frozen cranberries; 1 cup sugar; 1 tablespoon frozen orange juice concentrate or orange flavored liqueur; 1 teaspoon vanilla; 1/2 teaspoon salt; 1 cup low-fat or non-fat whipping cream; 1 graham cracker pie crust.

Combine cranberries, sugar, orange juice concentrate, vanilla and salt. Process or blend until cranberries are in small pieces. Fold whipping cream into cranberry mixture. Spoon into crust. Freeze until firm. Makes 6 to 8 servings.

CRANBERRY CHILI
2 cups fresh or frozen cranberries; 1 cup sugar; 1 tablespoon frozen orange juice concentrate or orange flavored liqueur; 1 teaspoon vanilla; 1/2 teaspoon salt; 1 cup low-fat or non-fat whipping cream; 1 graham cracker pie crust.

Combine cranberries, sugar, orange juice concentrate, vanilla and salt. Process or blend until cranberries are in small pieces. Fold whipping cream into cranberry mixture. Spoon into crust. Freeze until firm. Makes 6 to 8 servings.

4th GRADE 4-H REPORT

At Mrs. Smith's fourth grade 4-H meeting the song leader directed the class in "Home On The Range" and "This Land Is Your Land". The members discussed 4-H activities and played an animal game. The team names were Braves and Champions. The score was 100 to 120 with the Champions winning.

ZION CHAPEL 4-H NEWS

4-H REPORT

by Christie Roberts
At the November 8, 1996 meeting we had to elect a new song leader to take the place of Rhonda Gily, which was Amber Perry. The next project was the Christmas stockings. There were three entries and they were: Denise Cooper, Sarah Maddox, and Amy Perry. The program for this meeting was, "The Spotlight is on You". After the program, we watched about a fourteen minute long video on first impressions.

by Jessica Moore, reporter
Our first 4-H club meeting was held October 17, 1996. We elected our officers. They are: President Colby Capps, Vice President Ashley Gray, Secretary Quentin Robinson, Reporter Jessica Moore, Devotional Leader Ricky Marker, Song Leaders Mack Odum and Dominique Miller. Jessica Cohners was absent. President Colby Capps adjourned the meeting.

Agriculture is major business in Coffee County

by Richard Petcher, County Agent

Agriculture, being one of the major businesses in Coffee County, always arouses everyone's interest as to just how are we doing. How much money did we make? How are the farmers doing and how do we rank as a farm, as a county, and as a state in agricultural commodities? These statistics are for the 1995 crop year. In 1995, Hurricane Opal took the cotton crop, the peanut crop was well below average, and both cattle and hog prices were very low. That put a real squeeze on most farmers here. The year of 1995 was very lean for most of us.

Coffee County is usually ranked as the third or fourth county in farm receipts. However, in 1995 we were ranked fifth. The 1996 peanut acres are down from 26,000 acres to 22,000. However, the yields are back up. Most growers had an excellent corn crop this year and the cotton crop looks real promising. Harvest is coming closer to a close.

Some farmers will have had their record yield on peanuts, cotton and corn, while others were in dry areas and suffered losses.

Total farm and forestry receipts for Coffee County in 1995 were \$132,668,000. The poultry business is the largest farm commodity here. ConAgra and Wayne Farms together have 700 chicken houses in Coffee County. They process 1,600,000 broilers per week, and they feed 5,700 tons of grain per week. We are the fifth ranked broiler producing county in Alabama.

If you have more leaves than you need for mulch, you can compost your leaves. Shred leaves with your lawn mower or a chipper/shredder. They'll break down quicker that way. Mix your dry leaves with green materials such as grass clippings or manure. You've pulled while cleaning up your landscape. The mix should be about 50-50 by weight, meaning you'll need to add a greater volume of dry leaves because they are lighter.

Turn your compost pile and make sure it stays moist. While compost cooks more slowly during colder weather, it should be ready for you to add to your garden soil next season.

If you are unable to do it yourself, find out if you can recycle leaves through municipal leaf collection efforts. Some communities have or are starting their own composting efforts. They will pick up yard waste including fall leaves and compost them for use by the city in its own landscaping efforts. During fall, many of these communities scheduled special leaf pickup days. Contact the county extension office or the local solid waste authority to find out more about recycling.

The Pressbox

By Ricky Mularz, Sports Editor

We took the girls shopping for some winter clothes over the weekend, and by the time we got home, Dear Old Dad had a pounding headache and a very skinny billfold. I guess we hit some pretty good sales and got some clothes that the girls liked; however, I'll never get used to the fact that the price of clothes doesn't change, no matter what size clothes you get. Oh well, maybe the girls will quit growing for at least a day or two, and let the pocketbook get a breather!

ELBA TIGERS OPEN SEASON WITH IMPRESSIVE WIN

The Elba Tiger basketball team opened its season Friday night and gave a large home crowd plenty to cheer about as it ripped the Florida Wildcats 72-53. The Tigers were expected to struggle this season and many doubted whether or not they had enough weapons to win against many of the teams on their schedule. One game certainly does not make a season; however, the Tigers won a lot more than just a game Friday night. They also won over a lot of Elba fans and got a big shot of confidence that has to help so early in the season.

The Tigers were aggressive on both ends of the court and displayed skill on both offense and defense. Courtney Robinson proved that he can lead the Tigers on the offensive, while Derrick Daniels, Michael Reed, Tim Ware and Larry Rayburn all showed they didn't mind banging around under the boards. The Tigers have some quickness, some good shooters and depth inside, and may just be the surprise team in the area.

SURPRISES CONTINUE IN SECOND ROUND OF PLAYOFFS

The state high school football playoffs wrapped up Round 2 last week, and as always, there were a few surprises as the teams battled for a state title trimmed down to eight in each of the six classes. Here's a quick look back at second round highlights...

***CLASS 6A - The biggest surprise was Robert E. Lee's 7-3 win over Theodore. The Generals stumbled to a 3-6 regular season record, but have yet to allow a touchdown in the playoffs, and have salvaged some pride no matter what happens down the line. In other action, Jeff Davis rallied past Enterprise 17-7 and Central, of Tuscaloosa, had to fight to the final horn to edge Oxford 35-28.

***CLASS 5A - Chilton County saw its perfect season go by the board in a 19-14 upset loss to Demopolis, while Scottsboro remained the surprise team in the 5A ranks with a 42-35 win over Etowah. Blount retained the title favorite with a 34-12 win over Jackson, and Wetumpka stayed alive with a 19-17 win over Eufrata.

***CLASS 4A - Deshler saw its run toward a title come to an end with a 7-6 upset to Cleburne County, while W.S. Neal clobbered Elmore County 29-0 and T.R. Miller clubbed Tallapoosa 39-13 to remain on a collision course. Daleville also made it to Round 3 with an impressive win over Clarke County 23-8.

***CLASS 3A - Rehoboth slipped into the playoffs with a 3-6 record, but got its second straight playoff win by spanking Fullondale 28-0. Aliceville tamed the Devils from Sulligent 48-14 and Briarwood edged past St. Clair County 9-7 to also earn a spot in the headlines.

***CLASS 2A - The upset of the season came when Pickens County stunned Harlewood 10-7. While Laverne rolled past Excel 28-21, Cottonwood ripped Georgiana 33-6 and Clay County blanked Paramount 35-0.

***CLASS 1A - Donoho saw its title hopes come up dry with a 41-28 loss to Lynn, while Marengo outscored Frisco City 33-32 and Maplesville stormed past McKenzie 38-22.

A total of 12 teams that finished as runners-up in their area stayed alive last week in the playoffs, while 14 undefeated teams moved on and two teams with losing records moved on to Round 3 (R.E. Lee and Rehoboth).

STALLINGS RESIGNATION STEALS HEADLINES

The resignation of Alabama's Coach Gene Stallings following the Crimson Tide's 24-23 win over Auburn on Saturday night came as some what of a shock to almost all Tide fans. I will admit that I have never been a Stallings fan; however, I will be the first to admit that Stallings did this "way" throughout his seven years at the Tide helm, and wasn't afraid to stand up to his critics and do what he thought was best. Despite winning over eighty-percent of his games, winning a national championship and beating Auburn five times in seven years, Stallings' determination to do things "his way" rubbed many Bama fans the wrong way. The Tide coach never seemed to get the credit other coaches received, and even when Alabama won the national title with its win over Miami, the credit for the big win went to assistant coach Bill Oliver for his defensive game plan. Stallings also stood firm when the media questioned why Oliver and offensive coordinator Homer Smith weren't allowed to do their jobs, and showed everyone who was in charge when he dumped Smith and allowed Oliver to leave for the Tide's biggest rival. The forfeits and probation took its toll on Stallings, as did the forced resignation of Athletic Director Hootie Ingram, and when many felt like he would resign following the NCAA sanctions, the coach refused to leave while the school was suffering from his mistakes, and worked hard to keep the program among the best in the nation. Saturday night Stallings simply said he felt like it was time to close the chapter on his coaching career at Alabama, and while he will be missed by many, he was probably right. Stallings is one of the last of a dying breed among college coaches, and whether you liked him or not, he guided the Crimson Tide through some tough times, and the program is in better shape now than it was when he arrived. I didn't always agree with his decisions, but he was always the boss, and looking back, he did Alabama proud. Thanks, coach, for a job well done!

Who will be the next head coach at Alabama? I disagree that there is anyone on the current staff that should get the position, because I still believe that the best assistants on the staff left prior to the '96 season. Obvious picks would be Lou Holtz, Danny Ford and Curly Hallman, while other names mentioned for the past couple of years have included Mike Shula, Howard Schnellenberger and Bobby Ross. One thing for certain, if Alabama's new athletic director wants to keep his job, he had better get the right man for the job, and make the right choice; the first time. After all, even former Alabama quarterback Steve Sloan was shown the way out after his infamous choice of Bill Curry!

POLISH PROGNOSTICATOR PICKS THE PLAYOFFS

Ye Ole Polish Prognosticator dropped by the office a day early over the weekend to leave this week's playoff picks, and made it sure that I knew he had hit on 19 of 23 picks last week to push his playoff totals to 49-11. The local guesser hit such toss-ups as Marengo over Frisco City, Cottonwood over Georgiana, Wetumpka over Eufrata, Demopolis over Chilton County and Robert E. Lee over Theodore, and is now 432-93 on the season, and unless he gets sacked for a big loss in weeks to come, might just post his best season ever. Here are his quarterfinal picks in the South in all classes...

Autaugaville 27 Marengo 22
Maplesville 34 Billingsley 20
Laverne 17 Samson 7
Clay Co. 10 Cottonwood 7
UMS Wright 24 Aliceville 21
Briarwood 20 Rehoboth 13
W.S. Neal 21 Daleville 7
T.R. Miller 34 Greensboro 19
Blount 28 Wetumpka 6
Smiths St. 21 Demopolis 20
Vigor 10 R.E. Lee 7
Vestavia Hills 17 Jeff Davis 15

Get season-opening win

Tigers flatten Florala 72-53

The Elba Tigers opened the basketball season with a bang Friday night as they pounded the Florida Wildcats 72-53, in Elba.

The win gave the Tigers a 1-0 record, while Florala fell to 0-1 with the loss.

The teams swapped baskets for much of the opening stanza, and Elba pulled ahead late and grabbing a 14-13 lead behind the seven-point performance of Derrick Daniels.

A three-pointer by Michael Reed put the Tigers on top 19-15 with 5:59 left in the second quarter, and Elba stretched its lead to 23-16 with 4:27 left in the stanza. The Tigers hit a scoring drought after grabbing the seven-point lead; however, and scored only four points

the remainder of the half to go in at intermission with a slim 27-24 advantage.

Courtney Robinson and Derrick Daniels sparked an Elba rally early in the third quarter, and the Tigers used a sticky pressing defense to outscore the Wildcats 28-13 in the stanza to up their lead to 54-37.

Elba moved ahead 62-41 with 5:21 left in the fourth quarter, and used the inside power of Michael Reed, Larry Rayburn and Tim Ware to dominate the final stanza and lead the Tigers to the 72-53 victory.

Derrick Daniels scored 22 points to lead Elba, while Michael Reed added 16 and Courtney Robinson scored 12. Mitchell scored 16 to

lead Florala.

F 14 13 28 18 - 72
F 13 11 13 16 - 53

Elba (72): Thigpen 2, Daniels 22, Jordan 1, Robinson 12, Siler 6, Ware 6, Reed 16, Rayburn 7, Tillis 1.
Florala (53): Skanes 10, Gettis 9, Mitchell 16, Thrash 7, Oates 8, Reese 3.

(B GAME)

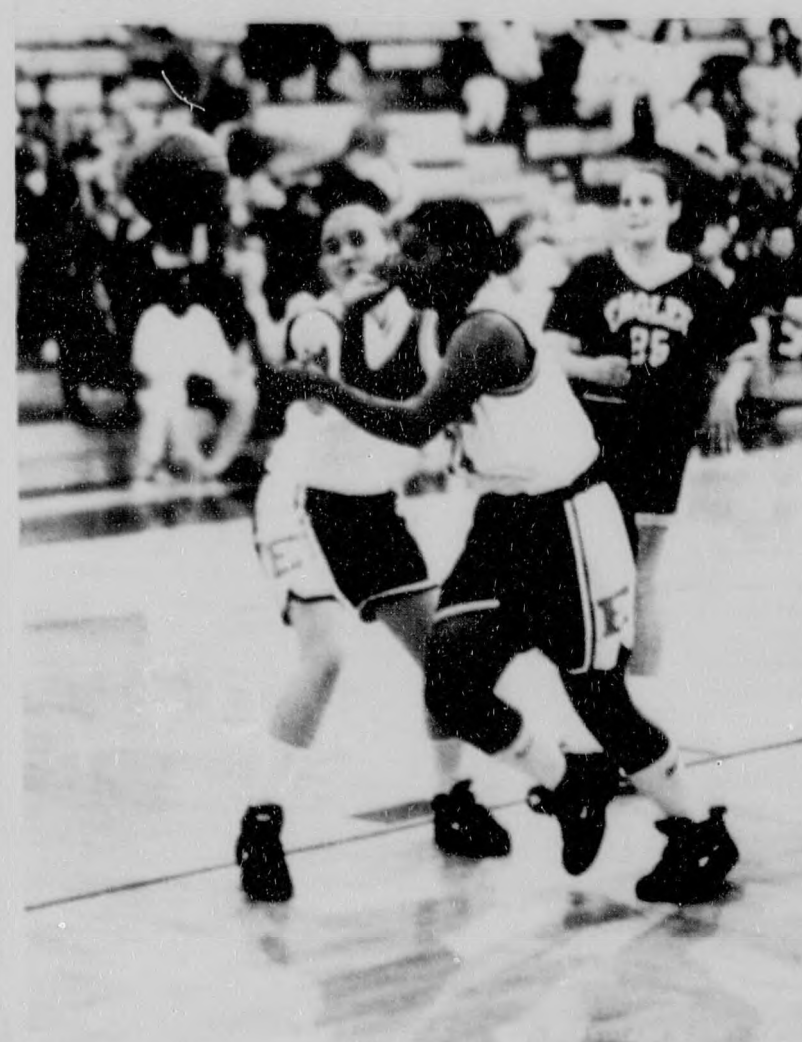

The Elba Tiger B team used a

big fourth quarter to pull away and defeat Florala 42-31.

Elba pulled ahead early and led 23-12 at the half, but saw Florala cut the lead to 28-26 by the end of the third quarter, and had to stage a late rally to take command and claim the win.

Wesley Johnson scored 20 points and Jawaune Hughes added 12 to lead Elba, while Skanes led Florala with 17.

Elba (42): Mitchell 2, Hooks 4, Duncan 4, Hughes 12, Johnson 20. Florala (31): Skanes 17, Oates 1, Bulger 6, Stokes 3, Eason 4.

Junior Tigers get first win

The Elba Junior High Tigers chalked up their first win of the young season last week by defeating the Opp Junior Bobcats 45-41, in Opp.

The Tigers jumped out to an early 12-2 lead over the Bobcats and held on late to post the exciting 45-41 win.

Tim Ware scored 21 points and Wayne Reed added 14 to lead Elba, while Michael Reed added 14. Elba (45): Reed 14, Coleman 8, Ware 21, Burks 3.

Opp (41): Stoudemire 3, Johnson 12, Stanley 4, Smith 6, Lacey 14, Ray 6, Brannon 4, Boothe 2.

8th grade Tigers club ZC

The Elba 8th grade Tigers posted one win and one loss last week to see their season record move to 4-2.

The Tigers defeated Zion Chapel 61-46, but lost to Opp 39-34, with both games being on the road.

Following are highlights of both games:

ELBA 61
Z.C. 46

The Elba 8th grade Tigers pulled ahead in the second quarter and pulled away in the second half to down Zion Chapel 61-46, at Zion Chapel.

The Tigers opened a slim 14-13 lead after one quarter, but pulled into a 33-28 halftime bulge behind the play of Brandon Salter and then pulled away for the big 61-46 win.

Brandon Salter scored 18 points and Artavis Stoudemire added 16 to lead Elba, while B.J. Powell scored 24 to lead Zion Chapel.

The Elba 8th grade Tigers lost their second game of the young season as they were outscored by Opp Middle School 39-34, in Opp.

The Tigers owned a five-point lead at the half, but couldn't hold on as Opp rallied for the win.

Artavis Stoudemire scored 18 points and Brandon Salter added 11 to lead Elba, while Jones led Opp with 17.

Opp (39): Burgess 5, Ellis 2, Austin 2, Stoudemire 2, Jones 17, Bailey 4, Breddlove 4, Pierce 2, Elba (34): Salter 3, Salter 11, Dubose 2, Stoudemire 18.

Elba (34): Salter 3, Salter 11, Dubose 2, Stoudemire 18.

Elba (34): Salter 3, Salter 11, Dubose 2, Stoudemire 18.

Elba (34): Salter 3, Salter 11, Dubose 2, Stoudemire 18.
